## No Show Policy

We understand situations arise in which you must cancel your appointment. It is therefore requested that if you must cancel your appointment, you provide more than 24 hours' notice. This will allow another patient who is waiting for an appointment to be scheduled in that time slot. When cancellations are made with less than 24 hours' notice, we are unable to offer that time to other people.

Patients who do not show up for their appointment without a call to cancel an office appointment will be considered a **NO SHOW**. Patients who do this three (3) or more times in a 12 month period may be dismissed from the practice and will be denied any future appointments.

**Patients will be subject to a \$35.00 fee for office appointment No Show.**

The No Show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment.

We understand that unavoidable circumstances may cause you to cancel within 24 hours. Fees in this instance may be waived but only with management approval.

Our practice firmly believes that a good physician/patient relationship is based upon understanding and good communication. Questions about no show fees should be directed to Diagnostic Group at 409.813.1677.

**Please sign that you have read, understand, and agree to this No Show Policy.**
